### Workshop in Barcelona, September 21-23, 2022: “Wittgenstein and the Classical German Philosophy: Self-consciousness and Self-reference”

We are glad to invite you to the workshop “Wittgenstein and the Classical German Philosophy: Self-consciousness and Self-reference” that will take place at the University of Barcelona **from 21 to 23 September 2022**.

Like the previous conferences “Wittgenstein and Hegel: Reevaluation of Difference” (TU Dresden, 2017), “Hegel and Wittgenstein: Negativity and Language” (Charles University in Prague, 2019), and “Wittgenstein and Classical German Philosophy” (University of Warsaw, 2021), the workshop in Barcelona aims to foster a dialogue between the Classical German Philosophy and the Wittgenstein scholarship. Cf. <http://wittgensteinhegel2017.weebly.com>

The workshop focuses on two topics of utmost importance in the German Philosophical Tradition from Kant to Hegel and from Hegel to Wittgenstein: self-consciousness and self-reference. However, we would also like to cover these topics in the immediate criticism of Classical German Philosophy, especially in Schopenhauer, Kierkegaard, Nietzsche, and Marx.

#### Suggested topics:

- Self-consciousness in Wittgenstein
- Self-reference in Hegel
- The use of “self” in Hegel and Wittgenstein
- Fichtean and Schellingian topics in Wittgenstein
- Dialectical reading of Wittgenstein
- Wittgenstein’s reception of Hegel through Schopenhauer, Kierkegaard, Nietzsche, and Marx.

Abstracts (ca. 300 words) of presentations (30 min + discussion) should be sent to [alexander.berg@uzh.ch](mailto:alexander.berg@uzh.ch) by **the 1<sup>st</sup> of June 2022**.
